Bilateral Affairs Officer

POSITION OVERVIEW:

The bilateral affairs officer (BAO) provides the link between the partner country and the State. The BAO is a National Guard (NG) officer selected by their State to serve in their partner country. The BAO is a key officer of the U.S. Embassy Country Team and can leverage the full breadth and depth of U.S. joint, interagency, and intergovernmental capabilities. The BAO provides the in-country conduit for the SPP. The BAO plans, coordinates, and supports execution and follow-on actions for all SPP activities. The BAO is the SPP point of contact and maintains communication with partner State NG forces. The BAO ensures that all SPP activities remain in accordance with the USAFRICOM Country Campaign Plan and the U.S. Embassy Mission Strategic Resources Plan.

The NG is the BAO force provider in support of the USAFRICOM Joint Table of Distribution (JTD). The BAO is an authorized command sponsored tour in accordance with Service Secretary guidance for accompanied tours. A BAO tour is 24 months. The respective State Adjutant General, in coordination with USAFRICOM, is authorized to grant a one-time six-month extension but total tour length will not exceed 30 months. At the completion of their tour, BAOs return to their State's control.

National Guard personnel on active duty under the Active Guard Reserve (AGR) Title 10 Program are authorized to be assigned as BAOs. The BAO is selected by the State Adjutant General and must be a member of the Army National Guard (ARNG). BAO requirements documented on the USAFRICOM JTD will reflect a Joint Duty Assignment List position.

USAFRICOM will provide the administrative, logistical, international Cooperative Administrative Support Services (ICASS) embassy support and other country support on a non-reimbursable basis. Base operations support will be provided without reimbursement by the applicable U.S. Embassy Country Team at the Common Level of Support (CLS). Support above the CLS will be negotiated between USAFRICOM and the U.S. Embassy Country Team.

NGB will provide approved Permanent Change of Station (PCS) transportation and travel service from the BAO's State to and from USAFRICOM. PCS travel will include Family members and household goods when authorized. USAFRICOM will provide the BAO all other transportation and travel as required for normal Temporary Duty (TDY).

BAOs will be granted leave in accordance with DOD and specific service secretary guidance.

BAOs work for the Office of Security Cooperation (OSC) in country. The BAO's gaining command is USAFRICOM. The BAO is transferred from State Authority (Title 32) to Federal Authority (Title 10) for command and control and Uniform Code of Military Justice authority. NGB assigns the BAO to the NDNG State Joint Force Headquarters. BAOs are assigned to USAFRICOM with duty at the U.S. Embassy Office of Security Cooperation (OSC). While assigned for administrative command and control purposes to the OSC, USAFRICOM recognizes the unique role of the BAO as a representative and liaison of the respective State Partner (Republic of Ghana).
