Mobilization Plans Specialist

1. **INTRODUCTION:** This position is located in Joint Force Headquarters of the Army National Guard under the AGR program. The purpose of this position is to serve as the G3 Mobilization Plans Specialist.
2. **DUTIES AND RESPONSIBILITIES:** Duties include:
 - Mobilization Planning & Analysis:
 - Analyze war plan missions assigned to state units and evaluate their capability to meet mobilization and readiness requirements.
 - Develop, analyze, and update comprehensive mobilization plans from conception to completion, recommending changes as necessary based on evolving force structures and missions.

- Analyze and implement directives from higher headquarters, such as the United States Forces Command (FORSCOM) Mobilization and Deployment Planning System (FORMDEPS), ensuring unit compliance.
- Manage and track individual mobilized soldiers, including serving as the point of contact for Tour of Duty and other automated volunteer process programs.
- Coordination & Execution:
 - Coordinate with the Defense Movement Coordinator (DMC) for the movement of units from their home station to the mobilization station.
 - Develop and formalize procedures for Soldier Readiness Processing (SRP) and Soldier Readiness Checks (SRC), and synchronize these events with other staff elements.
 - Serve as the primary point of contact for the Reserve Component Automation System (RCAS) and manage deployment information systems.
- Communication & Reporting:
 - Represent the state at mobilization and deployment conferences held by the National Guard Bureau (NGB), US FORSCOM, and other Major Commands.
 - Prepare and conduct briefings, fact sheets, and workshops on mobilization preparedness for various units and stakeholders.
 - Maintain historical documentation and provide regular updates to senior leadership on mobilization activities.

3. ADDITIONAL REQUIREMENTS: The incumbent will analyze and apply administrative principles, policies, and practices. Must have experience that demonstrates the ability to identify and resolve problems and use office automation systems for tasks such as word processing, spreadsheets, and presentations.
